I was reminded the 8th is Election Day so let's go with the 9th for planning purposes. Tetra Tech has offices mid-town or NJ if more convenient, but if okay I am recommending this meeting be at your NYC offices. I look forward to discussing on Tuesday. Have a good weekend!

Juan

Looks like Tues and Wed of that week (11/8-9) are OK for us. Did you want to meet here in EPA's NYC offices?

Hi Alice,

One item I expect to mention on our Thursday call is the potential team kick-off meeting. For planning purposes how does any day earlier in the week of Nov. 7th look (7th - 9th)? That's a little later than you and I originally discussed, but I will be up there that week for the CAG meeting on Thursday of course and we are identifying numerous other commitments every week leading up to then for various aspects of the work.

Regardless, I'm sure we can accommodate other dates if you prefer or your team needs something earlier or later. I'm still verifying schedule windows on my side in any case, so I thought this might give you a couple days to do same.

Thanks!

Juan
